

PistenBully *GreenTech*

Specialists in working on sensitive terrain.

Total cost-effectiveness. Outstanding agility. Highest safety. PistenBully *GreenTech* are the perfect vehicles for use on sensitive terrain. Whether sensitive environments like biotopes or nature reserves, remote sites like mountain slopes or forests, working in biogas plants or with silage – PistenBully *GreenTech* also prove their worth where wheeled vehicles cannot go.

Why you should expand your fleet with the PistenBully *GreenTech*:

Designed for sensitive terrain.

- High agility
- Keeps going when wheeled vehicles have to stop

A workplace where comfort comes as standard.

- Ergonomic working, so you don't get tired
- Easy access through large doors
- Air conditioning is an optional extra

Sophisticated technology for reliable and precise working.

- Transport and working width 3 m
- Various track widths available from 3 – 4.2 m:
 - 3 m tracks ideal for good compaction
 - 4.2 m tracks particularly gentle on the ground
- Clearing blade sides can be folded back to drive close to the silo wall or for transport
- Adapted cooling system for an ambient temperature of up to + 40 °C (optionally up to + 50 °C)
- Non-slip X-track chain for optimum compaction and thrust performance
- Reinforced upper frame with 2 t payload, reinforced chassis, enclosed body
- Hydraulic track tension
- Hydraulically operated blade control

Service

- 15 service stations in Germany, over 135 worldwide
- There for you 24 hours / 7 days / 52 weeks
- Rapid support and supply of spare parts
- Extensive range of training and advisory services

We also think about the driver's safety.

- Large windows
- Low centre of gravity
- Xenon working lights
- Good panoramic vision
- ROPS-certified

Designed with a focus on cost-effectiveness.

- Planetary gears for high thrust
- Central lubrication system with automatic lubrication of gears
- Oil service every 200 hrs
- Fuel consumption from 10 l

Quality that knows no compromise.

- High PistenBully quality standards
- Top-quality components
- Original spare parts available at any time
